**HARVARD DEFEATS YALE.**  
New York, July 1.—Harvard defeated  
Yale at baseball this afternoon 13 to  
10 and won the championship in one  
of the closest and most exciting  
tests in the history of college baseball.  
Harvard's was a decisive victory and  
only earned after a grand up-hill fight.  
Yale was outplayed at every point of  
the game. The attendance was 4,000.

Harvard's victorious crews were on  
hand and they whooped it up for the  
team, and then the crowd whooped  
for them until it sounded like one  
continuous roar. After the game Captain  
Houghton, of the team, and Captain  
Higginson, of the crew, were carried  
around the field by the crowd, singing  
"This is Harvard's year."

**WORLD'S WALKING RECORD.**  
New York, July 1.—At the State L.  
A. W. meet at Poughkeepsie today,  
Michael J. Donovan, of Albany, broke  
the world's record for walking 329  
yards. The record was 1:08 2-5, made  
by F. P. Murray, in London, August 4,  
1884.

Donovan covered the distance in 58  
2-5 seconds, and fell exhausted at the  
tape.

**McGOVERN WHIPS RICHIE.**  
New York, July 1.—Terry McGovern,  
of Brooklyn, knocked out Johnnie  
Richie, of Chicago, in the enclosure at  
the Westchester Athletic Club at  
Tuckahoe, N. Y., this afternoon. The  
attendance was 3,000. The fight took  
place in the open air and the weather  
was delightful. The men weighed 118  
pounds. McGovern was a hot favorite  
and he had a host of followers who bet  
at long odds on him. He defeated the  
Chicago lad with a succession of left  
body punches, followed with a heavy  
right cross to the neck. The fight was  
for the feather-weight championship  
of America.

**CYCLE RACE MEET.**  
ZIMMERMAN AND MURPHY AT  
AMBROSE PARK.

(By Telegraph to Virginian-Pilot.)  
New York, July 1.—The cycle race  
meet at Ambrose Park, Brooklyn, this  
afternoon attracted 3,500 spectators.

Arthur A. Zimmerman, the old cham-  
pion, was the star of the afternoon.  
His appearance on the track was the  
signal for great applause, which was  
renewed when he covered the quarter  
mile in 27 3-5 seconds. Zimmerman  
also started from the scratch in the  
half mile handicap called after him, but  
failed to get a place. Charles M. Mur-  
phy, who yesterday rode a mile after  
a locomotive in 57 4-5 seconds, did a  
half mile exhibition to-day in 1:04 2-5  
seconds.

In the Jimmy Handicap, McFarland,  
on scratch, finished ahead of Tom  
Cooper, also scratch, but was disquali-  
fied on the ground of being paced, and  
Cooper was given the race.

At the conclusion of the meet it was  
announced that Arthur Gardner and  
Harry Elkes would ride a 25-mile paced  
match at Manhattan Beach on July 4th.  
Summary:

A. McFarland, San Jose, Cal., second;

**MONEY FOR MISERABLE EXHIBITIONS.**  
Boston, July 1.—The chief feature of  
the L. A. W. meet at Charles River  
Park today was the race between Ma-  
jor Taylor and Tom Butler, mile heats,  
best two in three, for \$1,000. The Ma-  
jor won the heats were miserable exhibi-  
tions for such fast men.

**ECHOES FROM THE TURF.**  
**ADAMIRATION WINS FIFTEEN THOUSAND DOLLARS RACE.**  
(By Telegraph to Virginian-Pilot.)  
New York, July 1.—Fully 15,000 people  
journeyed to Sheepshead Bay to-  
day to see the one-mile match race for  
\$15,000 between the greatest of the 3-  
year-old fillies, Admiration and May  
Hempstead. It was the East against the  
West, and the East won, for Admiration  
came home in a gallop, first by two  
lengths. The time, 1:40 1-5, was by no  
means what had been expected, but they  
fairly flew in the first part, and when  
they came to the stretch, May Hemp-  
stead had nothing left to finish with,  
and the strong wind in their faces was  
too much for the big filly.

The other event of the day was the  
Advance stakes, at one mile and three-  
quarters, in which Ben Holladay was  
an odds on favorite. Thomas Cat won,  
however, in a drive, with the favorite in  
the place.

**SUMMARY.**  
First—Six furlongs: Cesarini, 12 to 1,  
won; Tingo, 10 to 1 and 3 to 1, second;  
Dr. Fleisher, 10 to 1 and 3 to 1, third.  
Time—1:24.

Second—1 1/2 miles: Deane, 2 to 1,  
won; Ed. Tipton, 10 to 1 and 4 to 1, second;  
Sky Scraper, 5 to 1, third.  
Time—1:48.

Third—Vernal stakes, 5 furlongs:  
Kilashandra, 5 to 2, won; Virginia  
Earle, 8 to 5 and 3 to 5, second; Pond  
Hill, 4 to 1, third. Time—1:02 2-5.

Fourth—1 mile special: Admiration, 4  
to 5, won by two lengths; May Hemp-  
stead, even, second. Time—1:40 1-5.

Fifth—Advance stakes, 1 1/4 miles:  
Thomas Cat, 5 to 1, won; Ben Holladay,  
9 to 10 and 2 to 5, second; Candlerback,  
20 to 1, third. Time—3:02 1-5.

Sixth—The purchase, short course:  
Rheinroth, 5 to 1, won; Dr. Catlett,  
12 to 1 and 5 to 1, second; Cock Robin,  
5 to 2, third. Time—4:10.

Seventh—5 furlongs: Waring, 5 to 2,  
won; Prestige, 10 to 1 and 4 to 1, second;  
Ceylon, 10 to 1 and 3 to 1, third.  
Time—1:03 1-5.

**MCKINLEY'S GIFT.**  
**PRESENTS AMBASSADOR CAMBON WITH LOVING CUP.**  
(By Telegraph to Virginian-Pilot.)  
Washington, D. C., July 1.—President  
McKinley to-day presented to the  
French Ambassador, M. Cambon, a su-  
perb loving cup in recognition of the  
Ambassador's friendly services in the  
negotiations which restored peace be-  
tween the United States and Spain. The  
beautiful testimonial was sent by Sec-  
retary Hay to the French embassy, ac-  
companied by a note from the Secretary  
in which, speaking for the President,  
he expressed sincere appreciation for M.  
Cambon's considerate and disinterested  
services, and tendered the loving cup  
as an evidence of the esteem felt for him.

The cup is of massive proportions and  
chaste design, and the international sig-  
nificance of the gift is shown in the  
blending of the French and American  
coat of arms. It stands about two and  
a half feet high, with the top of the  
bowl about ten inches across. The out-  
er surface is silver, richly embossed,  
while the inside is of hammered gold.  
Around the outside of the bowl, in raised  
Old English text, runs the follow-  
ing inscription:

"Presented by the President of the  
United States to His Excellency, M.  
Jules Cambon, Ambassador of France,  
in token of his friendly services in the  
negotiations of the protocol of peace  
between the United States and Spain,  
August 12, 1898."

The bowl is supported on the shoulders  
of three American eagles. These are  
turn are on a massive pedestal of sil-  
ver around which circle the thirteen  
stars emblematic of the thirteen origi-  
nal States. The handles of the cup are  
of myrtle leaves, symbolic of the peace-  
ful offices which M. Cambon performed.

On the two faces of the cup where the  
handles join the bowl, appear the  
coat of arms of France with the letters  
"R. F."—Republique Française.

The box in which the loving cup is  
enclosed is another triumph of the  
jeweler's art. It is of light birds-eye maple,  
highly polished, with brass trim-  
mings and bearing the monogram of the  
ambassador. The interior of the box  
is lined with crimson velvet. Alto-  
gether, the President's gift is one of  
uncommon richness and artistic beauty.

When the gift and letter were re-  
ceived at the French embassy M.  
Cambon was absent, not having returned  
from his New England trip. Under the  
circumstances the letter remains sealed  
and box unopened until the ambassa-  
dor's return, which is expected short-  
ly. After receiving his recent degree  
of LL. D. from Harvard he went to  
Manchester-by-the-Sea for a few days.  
The President's gift will be an entire  
surprise to him and will be gratifying  
alike for its personal as well as its na-  
tional significance. The Queen Regent  
of Spain has already decorated M.  
Cambon for his services in the peace  
negotiations.

**(Special at Newport News.)**  
(Special to Virginian-Pilot.)  
Newport News, Va., July 1.—J. C.  
Fay, a cooper-smith at the shipyard,  
committed suicide by shooting himself  
through the brain this morning at 6  
o'clock in a ravine on the Casino  
grounds. He had been on a spree and  
despondency probably caused the rash  
deed. A wife and five children are left.

**New Home of King Tann.**  
(By Telegraph to Virginian-Pilot.)  
Berlin, July 1.—A dispatch to the Co-  
logne Gazette from Apla, under date of  
June 24th, says that Malletto Tann  
will shortly be transported to the Fiji  
Islands.

**MARCO HANNA IN LONDON.**  
**SEES THE QUEEN AND TALKS POLITICS AT RANDOM.**  
(By Telegraph to Virginian-Pilot.)  
(Copyright 1899, The Associated Press.)  
London, July 1.—Senator Hanna com-  
pleted the first ten days of his stay in  
England at Windsor, where he witness-  
ed a military review this afternoon and  
caught his first glimpse of the Queen.  
He has enjoyed London immensely and  
his health has been so greatly benefit-  
ed that he has postponed his visit to  
Paris and Aix-les-Bains for another  
week.

"I am delighted with outdoor life in  
England," Mr. Hanna said to a repre-  
sentative of the Associated Press to-  
day, "and with the wise methods, born  
of experience which teaches the lead-  
ers in politics and business to limit  
their working hours and take every  
opportunity for rest and recreation."

**THE OLD TICKET.**  
"I have not talked American politics  
with English newspaper men, but I  
am free to say that I believe the old  
ticket will be renominated by the Re-  
publicans next year, and that it will  
be re-elected. I anticipate little oppo-  
sition to the first part of this proposi-  
tion, and I have no doubt the Ameri-  
can people will decide the latter part as  
they did in 1896."

"My reason for this belief is based  
on the fact that the United States is  
now entering on a renewed era of  
prosperity. Every promise of the Re-  
publican party has been kept. Every  
prediction has been fulfilled. There is  
not a man in the United States to-day  
out of work who wants work. This is  
the normal condition. Commercial  
prosperity is based on confidence and  
the only thing which can destroy the  
confidence now prevailing is a change  
of administration."

**IN THE PHILIPPINES.**  
"Are there persons who manifest a  
spirit of dissatisfaction with the course  
of events in the Philippines?" the Sen-  
ator was asked. He replied:  
"To my mind the conditions there are  
largely of our own making in delaying  
the annexation bill."

**DEMOCRACY DISCUSSED.**  
"So far as the Democratic party is  
concerned, I believe it was never so  
much at sea as at present. The South  
is tenacious to its free silver convic-  
tions, as are many of the trans-Miss-  
ouri States. There are still under the  
sway of Bryan's personal influence, and  
will do all possible to renominate him  
and the free silver platform of 1896.  
The power and wealth of the Demo-  
cratic party is centered in New York.  
Mr. Whitney, Mr. Croker and the rest  
felt that they were invincible. They en-  
tered the Chicago convention with con-  
fident and undisputed for the battle.  
To my mind these conditions have now  
changed. The Democratic chairman,  
Senator Jones, is ill in Europe. Bryan's  
only weapon is free silver, and the  
strength and weakness of that weapon  
is now fully realized. Senator Garman  
has seen the error of his ways, I think,  
and the Eastern Democrats will make  
a great effort to secure a new issue,  
and, if possible, a new man."

**NOT A POLITICAL ISSUE.**  
"The trouble about the anti-trust  
campaign is that they cannot make  
trusts a political issue. So far as  
amassing wealth in a manner to in-  
jure the public is concerned, the Re-  
publican party is just as opposed to it  
as the Democrats."

**WHAT DEMOCRATS WOULD LIKE.**  
"The Democrats would like to use the  
anti-expansion idea, and possibly Ad-  
miral Dewey, but the combination  
would not do and Admiral Dewey is so  
big that he would not permit his rep-  
utation as one of the great admirals of  
his time, to be used for any political  
purpose."

"Assuredly the Democrats are at  
sea."

"Personally, I would like to fight the  
old fight against free silver, but how-  
ever, the lines of battle are drawn. You  
will see the American people deter-  
mined to follow the course the Presi-  
dent has laid down."

**BANKING ASPECTS.**  
**DISCUSSED BY COMPTROLLER OF THE CURRENCY.**  
(By Telegraph to Virginian-Pilot.)  
Washington, D. C., July 1.—Discussing  
the banking aspects of the fiscal year  
just closed, Comptroller of the Curren-  
cy Daves said to-day:

"The condition of the national banks  
of the country during the year has been  
one of progressive prosperity. The  
changes in the items of loans and dis-  
counts indicate this clearly. At the  
date of the April 5, 1899, call for a re-  
port of conditions the loans and dis-  
counts of the national banks of the  
country had increased \$308,316,660 and  
the individual deposits had increased  
\$457,944,981 over the amounts shown by  
the call of May 5, 1898."

"The increase in total assets of na-  
tional banks of the country over May 5,  
1899, has been \$769,171,302 and their

combined assets aggregated on the lat-  
ter date \$4,639,138,160.

"A call for reports of the conditions  
of national banks at the close of busi-  
ness June 30, 1899, have just been made,  
and these reports will soon be received  
at the Treasury Department."

"The probabilities are that they will  
indicate a continuance of the favorable  
conditions evidenced by former state-  
ments."

"As a whole, the national banks of  
the country have, during the past fiscal  
year, done a conservative, prosperous  
and progressive business."
